THE FOOD
Boxi Park is similar to both a food hall and a food truck cluster. Its counter-serve restaurants — designed for this venue — feature foods that are created specifically for Boxi Park by world-class chefs with Michelin-rated restaurant experience.

The offerings evolve regularly, yet you can be sure that even a cheeseburger, a chicken sandwich or a soft-serve ice cream cone are a spectacular version of the foods you know and love.

Surprises are always in store, too. Boxi Park often invites local food trucks to join the line-up, serving up their specialties alongside the full-time fare.

THE BEVERAGE
Craft beers by Park Pizza & Brewing Company
Wines poured from kegs and Tavistock Restaurant Collection’s own curated bottle portfolio
Margaritas and sangrias in assorted flavors pour cheerfully from barrels,
and cocktails are shaken and stirred to order.
Chilled water and soft drinks are readily available at Boxi Park, as are fresh squeezed fruit and veggie drinks, and they’re just the beginning.

THE ENTERTAINMENT
Boxi Park is home to live entertainment with a state-of-the-art 30 ft wide video screen, sound and light experience.

AUDIO/VISUAL PROGRAMING PRESENTATIONS
Custom programing on our Pavilion A/V equipment
The event planner will be able to meet with our entertainment manager to determine the live or recorded music, video programing, and custom signage presented for each event.
All entertainment must be approved through Boxi Park and this will include on-site coordination, sound check and audio level requirement verifications.
